Lakes Basin Bibliography Preliminary Draft for Discussion (October 2009)

- Does not include Harney County Library materials
- Key documents as noted by partners are **highlighted in bold**
- May include some duplication

23. Baar and Cunningham Engineers. (1923). Report on Jordan Valley Irrigation District, Malheur County, Oregon. Portland, Or., The Engineers.
Project transmitter site, Buffalo Flat, Christmas Lake Valley, Lake County, Oregon. Seattle, Wash., US Army Corps of Engineers, Seattle District, North Pacific Division.

64. CH2M Hill inc. and Southeast Oregon Council of Governments. (1973). Regional sewerage and water system plan : prepared for Southeast Oregon Council of Governments, Harney County ... Malheur County. [Vale, Or.], The Council.
68. Clary, W. P. and Intermountain Research Station (Ogden Utah) (1996). Response of a depleted sagebrush steppe riparian system to grazing control and woody plantings.
107. Duncan, R. The big ditch : a story of goldmining days in Malheur County, Oregon. Eastern Oregon Agricultural Research Center., Oregon State University. Dept. of Rangeland
110. Edwards, D. C. (1969). Tales of yesterday in Malheur County: the south eastern Oregon frontier. [s.l., s.n.].

143. Ferns, M. L., COGEOGRAPHYC (Project), et al. (1989). Geology and mineral resources map of the Graveyard Point quadrangle, Malheur County, Oregon, and Owyhee County, Idaho. [Portland, Ore.], Oregon, Dept. of Geology and Mineral Industries.

144. Ferns, M. L., M. L. Cummings, et al. (1992). Geology and mineral resources map of the Elbow quadrangle, Malheur County, Oregon. Portland, Or., The Dept.,

149. Ferns, M. L. and Oregon. Dept. of Geology and Mineral Industries. (1989). Geology and mineral resources map of the Owyhee Dam quadrangle, Malheur County, Oregon. [Portland, Or.], The Department.,

150. Ferns, M. L. and Oregon. Dept. of Geology and Mineral Industries. (1989). Geology and mineral resources of the Adrian quadrangle, Malheur County, Oregon, and Canyon and Owyhee counties, Idaho. [Portland, Or.], The Department.,

173. Gomm, F. B. and Oregon State University. Agricultural Experiment Station. (1979). Climate and agriculture of Malheur-Harney Basin, Oregon. Corvallis, Or., Oregon State University, Agricultural Experiment Station.

174. Gomm, F. B. and Oregon State University. Agricultural Experiment Station. (1980). Yield and crude protein concentration in forage species and cultivars adapted to Oregon improved meadows. Corvallis, Or., Agricultural Experiment Station, Oregon State University.

176. Resource Area, Harney and Malheur Counties, Oregon.

202. Harney County Watershed Council (2008?) Value and success of Juniper management (contact Karen Moon)

217. Honess, R. F. and G. Post (1955). Eimeria of grouse (Family: Tetraonidae), with a description of Eimeria pattersoni n. sp. from the sage grouse. [Cheyenne?].

Kittleman, L. R. (1967). Geologic map of the Owyhee region, Malheur County, Oregon. [Eugene], Museum of Natural History, University of Oregon.

Kolding, M. F., P. Friedrichsen, et al. (1979). Harney County spring cereal yield and observation trials. Corvallis, Or., Agricultural Experiment Station, Oregon State University.

295. MacLeod, N. S., Oregon. Dept. of Geology and Mineral Industries., et al. (1990). Geology and mineral resources map of the Mahogany Gap quadrangle, Malheur County, Oregon. [Portland, Ore.,]. Oregon, Dept. of Geology and Mineral industries,
296. MacLeod, N. S., Oregon. Dept. of Geology and Mineral Industries., et al. (1990). Geology and mineral resources map of the Sheaville quadrangle, Malheur County, Oregon and Owyhee County, Idaho. [Portland, Ore.,]. Oregon, Dept. of Geology and Mineral Industries,

331. Miller, R. F., Geological Survey (U.S.), et al. (2007). Western juniper field guide asking the right questions to select appropriate management actions. (Reston, Va., U.S. eological Survey, 2007)

332. Miller, R. Biology, ecology, and management of western juniper (Juniperus occidentalis) (Corvallis: Agricultural Experiment Station, Oregon State University, 2005). Agricultural Experiment Station, Oregon State University. Technical bulletin 152 (available to download at http://juniper.oregonstate.edu/bibliography/article.php?article_id=53) NOTE: there is a OSU’s Western Juniper website includes a searchable database at: http://juniper.oregonstate.edu/bibliography/

357. Oregon Sea Grant Communications., K. A. Emanuel, et al. Oregon Sea Grant Communications moving images, 1939-2007 (bulk 1980-2007): 43 cubic feet, including 770 film reels, 30 videotapes, and 9 DVDs.(OSU Archives – includes The Hart Mountain footage includes imagery of antelope, mule deer, bighorn sheep, sage grouse, cattle ranching, and stream restoration, Sagebrush Country; and Identifying Canada Geese.)

360. Oregon State University. Agricultural Experiment Station., Oregon State University. Dept. of Rangeland Resources., et al. (1999). Range Field Day 1999 progress report, juniper woodlands : history, ecology, and management. [Corvallis, Or.?], Agricultural Experiment Station, Oregon State University.

381. Oregon. State Dept. of Agriculture., Malheur Soil and Water Conservation District (Or.), et al. (2003). Owyhee Agricultural Water Quality Management Area plan. [Salem, Or.],

387. OWEB Watershed Assessment Library. [Reports to be digitized] see list at: http://www.oregon.gov/OWEB/MONITOR/watershedassessments_linked.shtml

a. Alvord Lake Sub-basin Watershed Assessment (on file at OWEB's Salem office) Lakes Basin

b. Harney/Malheur Lakes Sub-Basin Assessment (on file at OWEB's Salem office) Lakes Basin

c. Silver Lake Watershed Assessment (on file at OWEB's Salem office) Lakes Basin

d. Silvies Subbasin Assessment (on file at OWEB's Salem office) Lakes Basin

e. Upper Chewaucan Watershed Assessment (on file at OWEB's Salem office) Lakes Basin

f. Silver Creek Subbasin Assessment (on file at OWEB's Salem office) Lakes Basin

g. Donner Und Blitzen Sub-Basin Watershed Assessment (on file at OWEB's Salem office) Lakes Basin

h. Bully Creek Watershed Assessment (on file at OWEB's Salem office) Malheur Basin
i. Lower Owyhee Watershed Assessment (on file at OWEB's Salem office) Malheur Basin
j. Malheur Basin Watershed Assessment (on file at OWEB's Salem office)

Ramp, L., M. L. Ferns, et al. (1989). Geology and mineral resources map of the Double Mountain quadrangle, Malheur County, Oregon. [Portland, Or.], The Department..

Ramsey, K. J. (1989). Influence of leachates from western juniper slash on three native grasses, Oregon State University, 1990

424. Richerson, P. Changing Irrigated Practices in Oregon to Improve Groundwater Quality. SEATTLE, WA WASHINGTON ENVIRONMENTAL COUNCIL. (Malheur County)

454. Schuller, R. and R. Halvorson (2008). The Island Research Natural Area. Guidebook supplement 35. Portland, OR, U.S. Dept. of Agriculture, Forest Service, Pacific Northwest Research Station. (Western juniper/big sagebrush/bluebunch wheatgrass (Juniperus occidentalis/Artemisia tridentata/Pseudoroegneria spicata), and the western juniper/big sagebrush-antelope bitterbrush/bluebunch wheatgrass (Juniperus occidentalis/Artemisia tridentata-Purshia tridentata/Pseudoroegneria spicata) plant associations.)

474. Snake River Field Station. and Forest and Rangeland Ecosystem Science Center (U.S.) (2002). SAGEMAP, a web-based spatial dataset for sage grouse and sagebrush steppe management in the intermountain West. Boise, ID, USGS Forest and Rangeland Ecosystem Science Center, Snake River Field Station

476. Sneva, F. and Oregon State University. Agricultural Experiment Station. (1989). Adjusting and forecasting herbage yields in the intermountain big sagebrush region of the steppe province. Corvallis, Or., Agricultural Experiment Station, Oregon State University.

495. Thatcher, J. J. (2000). The distribution of geologic and artifact obsidian from the Silver Lake/Sycan Marsh geochemical source group, South-Central Oregon

518. United States. Bureau of Land Management. Burns District. Andrews/Steens resource management plan (Hines, OR: BLM, Burns District Office, 2005) 4 volumes being added to OSUL also available at ScholarsBank and online at:

a. Steens Mountain Cooperative Management and Protection Area Record of Decision and Resource Management Plan
   http://www.blm.gov/or/districts/burns/plans/files/Steens%20ROD-RMP.pdf

b. Andrews Management Unit Record of Decisionand Resources Management Plan
   http://www.blm.gov/or/districts/burns/plans/files/Andrews20ROD-RMP.pdf

c. Appendices A-O and Maps.
   http://www.blm.gov/or/districts/burns/plans/files/Andrews20ROD-RMP.pdf

d. Appendix P: Steens Mountain Wilderness and Wild and Scenic Rivers Plan
   http://www.blm.gov/or/districts/burns/plans/files/Appendix_P.pdf

532. United States. Congress. House. Committee on Interior and Insular Affairs. (1982). Providing for the designation of the Burns Paiute Indian Colony of Oregon as the beneficiary of a public domain allotment and providing that all interests in public domain allotments in Harney County, Oregon, which are held by Indian allottees who die intestate and without heirs shall escheat to the United States to be held in trust for the benefit of the Burns Paiute Indian Colony of Oregon and added to the Burns Paiute Indian Reservation: report (to accompany H.R. 5007) (including the cost estimate of the Congressional Budget Office). [Washington, D.C., U.S. G.P.O.]

533. United States. Congress. House. Committee on Interior and Insular Affairs. (1983). Providing for the designation of the Burns Paiute Indian Colony of Oregon as the beneficiary of a public domain allotment and providing that all interests in public domain allotments in Harney County, Oregon, which are held by Indian allottees who die intestate and without heirs shall escheat to the United States to be held in trust for the benefit of the Burns Paiute Indian Colony of Oregon and added to the Burns Paiute Indian Reservation: report (to accompany H.R. 1102) (including the cost estimate of the Congressional Budget Office). [Washington, D.C., U.S. G.P.O.]

540. United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Public Lands and Forests. (2002). Steens[...]. Mountain Act: hearing before the Subcommittee on Public Lands and Forests of the Committee on Energy and Natural Resources, United States Senate, One Hundred Seventh Congress, second session, to explore the relationship between how public lands are managed and the impact on rural economies, review the environmental health of national forests, evaluate economic assistance to natural resource-dependent communities, and assess the implementation of the Steens[...]. Mountain

542. United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Public Lands and Forests. (2004). Grazing : hearing before the Subcommittee on Public Lands and Forests of the Committee on Energy and Natural Resources, United States Senate, One Hundred Eighth Congress, second session, to review the grazing programs of the Bureau of Land Management and the Forest Service, including permit renewals, recent and proposed changes to grazing regulations, and related issues; and to examine the Wild Horse and Burro Program, as it relates to grazing, and the administration's proposal for sage grouse habitat conservation, June 23, 2004. Washington, U.S. G.P.O.

582. Vermilyea, K. J. (1993). Economic and environmental evaluation of alternative farming systems for row crop and dairy farms in Northern Malheur County, Oregon State University, 1994
593. Wessel, L. (1931). The possibilities and advantages of afforestation on Steens Mountain.
595. Western States Sage Grouse Committee. (1987). Fifteenth Western States Sage Grouse Workshop transactions, Midway, Utah, July 29, 1987. [Utah?], Western States Sage Grouse Committee,
598. White, W. B. (1981). Valuation of recreation resources : a methodological comparison as applied to Steens Mountain, Oregon, Oregon State University, 1982
