Summary of meeting with Sarah McGreevy and Rob Drummond about WR121 for Fall 2013/Winter 2014/Spring 2014

INTO classes will use Science Daily to find research topics.
Students will bring their Science Daily article to the library session.
Library sessions will take place the sixth week of the term.
Laurie will work with Rob and Sarah this term – next term we are expecting 9-10 classes and spring term 15 (possibly).
INTO classes will use the WR121 library guide located here: http://guides.library.oregonstate.edu/course-guide/2871-WR121

Present: Laurie, Uta, Rob, Sarah
