Spring 2016

Teaching and Engagement Department Quarterly Report

Spring 2016

March 27 - June 15, 2016

I. Major Accomplishments

A. Strategic Milestones

- Kelly McElroy had proposals for U-Engage and Honors College Colloquium accepted (with Tiah Edmunson-Morton and Korey Jackson, respectively). Goal 2.1.b - Collaborate with Ecampus, the University Honors College and other academic units to offer courses that have a positive impact on student learning.
- Kelly McElroy connected with staff/faculty in Queer Studies, Ethnic Studies, Electrical Engineering and Computer Science, ADVANCE, Women and Gender Studies to support a request for funding from the President’s Commission on the Status of Women to bring Safiya Noble to campus in fall. Goal 2.3.a - Design and Develop activities to stimulate conversation and action on emerging topics.
- Anne-Marie Deitering, Beth Filar-Williams and Margaret Mellinger created a comprehensive vision statement for space revisions on the library main floor. Goal 1.3.d - Create and maintain learning spaces relevant to users’ needs.
- Stefanie Buck and the Professional Development committee hosted a successful Instruction Get-Together event, with 30 participants from multiple campuses. Goal 4.1.a - Support and acknowledge professional development opportunities.
- Stefanie Buck chaired a successful search for a STEM Outreach and Instruction librarian. Goal 2.4.a - Develop programming for traditionally underserved and high achieving students.
- With Brooke Robertshaw, Hannah Gascho Rempel interviewed 15 faculty members from the College of Agricultural Sciences for an Ithaka cross-campus research project. Goal 3.2.c - Provide research infrastructure and funding opportunities to strengthen library faculty research activity.

B. Major Accomplishments

- Kelly McElroy submitted the final manuscripts for her co-edited, two-volume set of Handbooks to ACRL Press.
- Stefanie Buck completed the LibGuides/Canvas integration project.
- Hannah Gascho Rempel successfully delivered a month-long ALA e-course on online tutorials. There were 77 participants (who did the homework!)
- Hannah Gascho Rempel was awarded an Outstanding Library Faculty Employee award, and survived attending the ceremony.

II. Summary of Departmental Operations and Activities

A. Outreach & Engagement Activities

Laurie Bridges
